

Sorbents, Spill Kits & Rags

We provide the largest selection of wiping cloth materials (both cloth and non-woven paper wipers) and oil sorbents in the country. We have tremendous experience and knowledge in the wiping cloth industry; specializing in the JanSan, Industrial Integrated, OEM, MRO, Automotive and Aerospace Industries. CNC Machinery Solutions offers the utmost in quality and service. We strive to offer solutions and the correct wiping tool to any situation where wipers or sorbents are involved. Contact us to cross-reference your rags, wipers, or sorbents.

NON-Woven Wipers

Airlaid - Multipurpose, Low Cost, ideal for Grease, oil, inks & paints

DRC Cellulose - High Absorbency & Extreme Durability for water, grease & stains

Scrim - Low Lint, excellent wipe dry & streak free, perfect for glass & smooth surfaces

Spunlace - Low Lint & Solvent Resistant, perfect for manufacturing, printing, automotive & hi-tech

Food Service & Health Care - Color Coded to prevent cross contamination. Highly Absorbent & Strong.

Rags (New & Recycled)

New Cloth - White knit, Bar Mop, T-Shirt material, French Terrycloth, Cotton Diaper

Recycled Cloth - Colored T-shirt, White T-Shirt, Surgical Towels, Colored Fleece

Sorbents, Rugs & Particulates

Boom - Non-Linted, comes with rings, snaps & full length rope; white/blue & gray/yellow (5 & 8" x 10')

Laminated - Very Durable, Extremely Soft & drape able made with bonded layers of durable polypropylene spun-bound to high-loft melt-blown center (various size pads & rolls up to 150')

Rail Mats - Tough, Durable heavy oil-only absorbent barrier (19" & 59" x 100')

Needle Punch Rugs - Strongest Industry Standard with added absorbency & fire retardant

Drum Tops - Pre-cut to 55-gallon drums with breather & filler holes

Rag Rugs - Very Durable, super absorbent & Comfortable (pads & rolls up to 150')

Sweeps - Ideal for spills over Water (19"x100" roll)

Socks - 100% Polypropylene fill wrapped in a Fitted Sleeve. Oil only, general or Hazardous Material spills (3" x up to 16' depending on application)

Particulates - Loose 100% Polypropylene for viscous oils, universal & Hazardous Materials (25 lb. bags)

Granular Eco-Dry - Completely Biodegradable for general use (25 lb. bags)
